

openIMIS

openIMIS October software release

The openIMIS Initiative is happy to announce the October software release of openIMIS for this year. As we are starting with a number of new development projects these days, the release is mainly focusing on bugfixes and performance optimizations. Follow the links below for lists with the included changes:

- <https://openimis.atlassian.net/wiki/spaces/OP/pages/814317596/openIMIS+Database+release+notes>
- <https://openimis.atlassian.net/wiki/spaces/OP/pages/814317573/openIMIS+Legacy+Web+Application+release+notes>
- <https://openimis.atlassian.net/wiki/spaces/OP/pages/1312882733/openIMIS+BE+Claim+module+release+notes>

Check out the usual links for further information and downloads:

- [Download](#)
- [Documentation](#)

Kindly be aware of the [Service Desk](#) to report issues that you might experience with this new version.

Stay safe and keep your families healthy. May the next year present itself with a friendlier face.

Kind regards,
openIMIS Team
