

Implementers Committee Minutes

Title	Implementers Committee Meeting Minutes		Date	17.04.2019
Location	Virtual		Time	10:00-11:00 CEST
meeting called by	Alicia Spengler	Type of meeting	Committee Meeting	
Facilitator		Note taker	All	
Agenda 17-04-19				

#	Item	Discussion	Date
4	Supporting possible opportunities in new partner countries	<ul style="list-style-type: none"> Initiative has to design processes and develop support mechanisms for countries; not standardized yet Separate call among Swiss TPH and GIZ took place 	16.01.19
4d	Kyrgyzstan	<ul style="list-style-type: none"> Link with Bluesquare´s RBF is under analysis 	06.02.19
4e	AeHIN CoP: Thailand	<ul style="list-style-type: none"> Thailand - looking into the use of openIMIS for managing health insurance for foreign workers in the country/ stateless insurance <ul style="list-style-type: none"> Question: Possible to get those from github and modify it for their business model? We have subcontractors also for this project Answer: As long you don't sell it, then the license will allow it. Good to send also the process documentation If you want developers to contribute, they can participate in the development committee meetings for the core modules Inquiry/comments from Thai team during the inception workshop <ul style="list-style-type: none"> Incorporation of plug-ins (for data exchange) Presentation of the process flow in the openIMIS system (for easier grasp of the audience) - use of process maker 	
4f	AeHIN CoP: Philippines	<ul style="list-style-type: none"> Ongoing engagement with UPM-PGH and SLMC as partner health education institutions (preliminary meeting conducted last March) Ongoing engagement with AMSA Philippines (preliminary meeting conducted last March) Ongoing preparation of the openIMIS lab manual for clinical skills 	06.03.19

		<ul style="list-style-type: none"> ● ToT Workshop on openIMIS Lab Manual Use and Assessment tentatively scheduled in August or September ● Pre-ToT Workshop orientation with AMSA Philippines tentatively scheduled in June or July 	
	AeHIN CoP: Indonesia	<ul style="list-style-type: none"> ● Plan to integrate openIMIS in the MPH curriculum by next semester (faculty meeting in September) 	
	Opportunities in CAM, LAO, MYANMAR	<ul style="list-style-type: none"> ● CAM: Look into how to integrate openIMIS in the health informatics program where Dr Mean Sambath (AeHIN member) is teaching ● LAO: <ul style="list-style-type: none"> ○ Mr Viengthong from MoH Lao informed us during the workshop that they are currently using a vendor-provided system for their health insurance. They are interested in exploring other options. Some points of inquiry from him: <ul style="list-style-type: none"> ■ Translation (to Laos language) ■ Incorporating online payment ■ Uploading XML-based database in the system ■ Modifying the label of major components and data fields in the system ■ Resources for server (Using Ubuntu?) ■ Customization of the system (technical side) - up to what extent, ■ How to apply national standards in the system ○ Proposal: Organize an AeHIN Convergence Workshop in Lao PDR and introduce openIMIS (connect with AeHIN focal point, Dr Chansaly Phommavong) ● MYANMAR: No update yet 	
	AeHIN Events	<ul style="list-style-type: none"> ● openIMIS Session at the AeHIN-Taiwan IT Collaboration Workshop (Taipei, 26 March 2019) <ul style="list-style-type: none"> ○ Draft proceedings: https://docs.google.com/document/d/dl77PfwYFgFD3WM1bw2fknBNygZl-givT3CTAzq86c/edit# ○ Event write up with photos to be uploaded on the wiki page ● iLEAD Event (Africa, 13 May 2019) <ul style="list-style-type: none"> ○ Dr Alvin to give a talk on open source technology 	

		<ul style="list-style-type: none"> ○ Dr Alvin to send survey on knowledge products (hopefully to be answered by Saurav) ● Telemedicine Conference (Kuala Lumpur, 20-21 June 2019) ● AeHIN PRINCE2 Project Management Training (Kuala Lumpur, 22-26 July 2019) <ul style="list-style-type: none"> ○ Invite openIMIS would-be implementers in Asia ○ Use openIMIS as work focus for the training on project management ○ Inquiry on charging transportation funds from openIMIS ● China Beijing International High-Tech Expo/ CHITEC (Beijing, 20-21 June 2019 - TBC) 	
	AeHIN Collab/Knowledge Exchange with IFM	<ul style="list-style-type: none"> ● Teleconference with IFM on openIMIS integration in the academy last March <ul style="list-style-type: none"> ○ IMF might join the ToT Workshop on openIMIS Lab Manual Use and Assessment in the Philippines ○ IMF might organize ToT Workshop on openIMIS (technical/development side) in Tanzania 	
	openIMIS Webinar Series via AeHIN Hour	<ul style="list-style-type: none"> ● TBC: Using the openIMIS Demo Server <ul style="list-style-type: none"> ○ Option A: How to install the demo server -> schedule ○ Option B: How to use the demo server 	17.04.19
	AeHIN Technical Questions	<ul style="list-style-type: none"> ● How to update libraries of medicine? <ul style="list-style-type: none"> ○ Put up apelon terminology service/web service for semantics ● Where to put openIMIS instances? <ul style="list-style-type: none"> ○ Buy virtual server/ install from the nepalese instance ○ Set-up a telecon on localization ○ Discuss offline with Rose Ann 	17.04.19
4g	DRC	<ul style="list-style-type: none"> ● Mission planned to start activities again by Xuan Mai in April (week of 15th): Re-Training and set up of new products (existing material will be reused) ● Pilot with 8 mutuelles initiated in 2017, scale up is not on the table ● Basic use - no mobile phones ● Mission to focus on restarting activities ● GIZ International Services is responsible for the actual phase now and has asked Swiss TPH to support in a limited way. Scale up right now is not on the table. ● Restarted activities with configuration, trainings, and introduced offline version ● Introduced the initiative 	17.04.19
4h	Chad	<ul style="list-style-type: none"> ● Feedback / Follow-up is due from workshop (implementers meeting in TnZ) participants ● Concept note to take pilot forward being developed to have stakeholders on board (CIDR and SDC) 	17.04.19

		<ul style="list-style-type: none"> 1 Health zone covered by project and another 7 or so by CIDR who is waiting for confirmation of continued support from donor - idea was to provide training to all together so roll out could be supported by Swiss TPH and CIDR in respective zones Timeline - Junei, concept note by Damien to clarify a joint support by CIDR and SDC, any activity will not start probably before June. Always inform and invite P4H Focal Point, Saibou Seynou and Damien (STPH) 	
4m	Indonesia	<p>openIMIS Community Indonesia started with Country WP</p> <p>Plan to translate manual to Bahasa. English user manual is here. Request to use readthedocs to develop this documentation. Source code of the documentation can be found here.</p>	17.04.19
4n	Togo	<p>Support from Socieux last year to INAM</p> <p>Need for claims digitalization</p> <p>Follow up with Togo as well as Socieux+ happened, but no reaction yet.</p>	03.04.19
4o	Stephen/ Burundi	<p>Discussion was held, to wait and see what happens</p> <p>Potential other countries: Sudan, Somalia, Chad</p>	17.04.19
13	Wiki	<ul style="list-style-type: none"> Feel free to post content, structure will grow as we go But don't add empty pages FaQ should be moved to Knowledge Base (link to Knowledge Base) there is a How-to dublon that should be merged into official one and removed 	03.04.19
13b	Messaging chat	<ul style="list-style-type: none"> Jembi can offer free slack channel in their works pace ideal solution would be to get an openIMIS work space: (slack) approach still under discussion. There are different options: forum (google groups); chat functionality (Skype not ideal); <ul style="list-style-type: none"> Uwe/everyone looking at options 	20.03.19
14	Formal sector enrollment	<ul style="list-style-type: none"> Here is the document along with other feedback. Review of the group also to become familiar with the process Please add comments or upload additional documents to this issue on Jira. Team will try and review before next document Nepal has passed bill to include formal sector - perhaps more input coming from Nepal currently not clear how or when this will be done, to be followed up by SBh SSr/VR to send an invite to move this forward on this issue queue - next step would be the group gets together (Implementers committee) to move this to the next step: IC comments until 30.04 and then reach out to DC 	17.04.19

		<ul style="list-style-type: none"> Review by DC to get estimates the development cost - Dragos will introduce document in the next meeting 	
14a	Discussion on formal sector enrollment	<ul style="list-style-type: none"> Would this impact in the legal entity status, where registered, responsibility (Michael)? Michael has provided bullet points on experience with other software Michael had shared it as separate document) Viktoria to follow up 	17.04.19
15	Implementation Starter Kit	<ul style="list-style-type: none"> Sub committee discussion about website and how content should be structured. Responsibilities were to be indicated by all as to who will take lead in developing content for the different pages including the section on the implementation starter kit Starter kit will be restructured from what we have now - emphasis should be on this! Upload and update on the Wiki (publically available) - draft based on existing experience requires feedback from the group. GIZ having meeting with website company to talk about structure etc. Further need to define tools, contents, formats Working Group has been composed at Implementers Workshop Update documentation with hands on experiences from Country Assessments as Malawi, Rwanda, Cameroon, DRC, CHAD RC and KC will share proposal for first step 	10.04.19
16	Costing tool/template	<ul style="list-style-type: none"> Create spreadsheet to estimate the costs required for implementation. Link with Implementation Starter Kit. Alvin to share pre-existing tool with Viktoria (AM delegating to KCP to get copy from SILA team) JL uploaded file to Wiki. SSr has reviewed and responded to JL. Awaiting further clarification before moving forward 	10.04.19
19	Snomed	<p>AeHIN is setting up open source version of Apelon, a terminology service (can accommodate SNOMED and can be used by country if they have a national license)</p> <ul style="list-style-type: none"> - work in progress - We will ask RoseAnn to install on a virtual machine 	20.03.19
26	openHIE Sub-community "HF towards UHC"	<p>openIMIS participates at the openHIE Community, at the moment in the HF towards UHC Subcommunity, other Sub-Communities might be relevant</p> <p>https://wiki.ohie.org/</p> <p>RC and DF presented ol at the general openHIE call</p>	03.04.19
27	Link with Developers Committee	<p>Modularization is still not clear</p> <ul style="list-style-type: none"> separate meeting to discuss the boundaries to define the modules external experts might be implicated <p>Developers Committee should look at the need that countries might only want to use the claims module</p>	03.04.19

		and not the beneficiary management module provided by openIMIS	
29	Thematic areas on the wiki	Create thematic topic spaces on the Wiki, e.g. Data privacy, interoperability, etc. in order to reach out to a broader audience https://openimis.atlassian.net/wiki/spaces/OP/pages/607223809/Thematic+Areas	13.03.19
29. a	Data Analytics	Develop further the wiki page on data analytics to capture further needs of users like Rwanda. Engage through CHAI to engage RSSB to link to Wiki page and contribute to new user requirements.	03.04.19
29. b	M&E	Indicators for health financing scheme management will be collected on the Wiki to create a sort of Master list	03.04.19
29. c	Data privacy	<ul style="list-style-type: none"> Guidance is being provided by Swiss TPH / HPSS Draft policy document and push it forward to PORALG 	19.01.19
31	Communication material French	MG started to produce French material. XM is supporting wording / terminology.	03.04.19
