OpenIMIS Notice C1 - Monthly report

- What did we achieve in last month
- Where are problems
- Where do we want to go next month
- Budget

What did we achieve in last month

- OpenIMIS/OpenHIE conference in Addis Ababa
- Updated OpenIMIS FHIR module - https://github.com/openimis/openimis-be-api_fhir_py/pull/25
  - Added AddItem element to ClaimResponse API
- Generating Bills on OpenMRS side - https://github.com/openmrs/openmrs-module-insuranceclaims/pull/9
- Finished OpenMRS - OpenIMIS communication -> showcase video

- No big problems, we just need to spend time to finish OpenMRS Insurance Claims UI

SolDevelo
solutions development

- Finish OpenMRS Insurance Claim UI features

- Time budget remaining: 25% (70MD / 285MD)
  - Development - 175MD
  - QA - 70MD
  - PM - 40 MD
- Deadline - 15.01.2019
